STRENGTH. COURAGE. FORTITUDE. PERSEVERANCE.

All powerful words that represent the story of Salamander and resonate deeply with us here at Salamander Spa. They are the embodiment of a philosophy that permeates the very core of the overall Salamander experience. Not only is Salamander Spa a place of healing and wellness, it is a destination for discovery, growth and transformation. And for good reason.

SIGNATURE STONE MASSAGE – 90 MIN
Combined with intensive deep tissue technique, hot stones are used to revive fatigued muscles, rebalance the body and melt away stress, providing healing, calming and relaxing experience. The heated stones help release deep-seated tension on the deeper muscle layers and expand blood vessels to encourage blood flow throughout the body. Their sedative effect can relieve chronic pain, reduce stress and promote deep relaxation.

ENHANCED NEROLI BLOSSOM SENSORY EXPERIENCE – 90 MIN
Awaken the senses with the signature aroma of Neroli essential oil in this deeply relaxing, yet uplifting experience. Featuring energy balancing to calm the spirit, Eucalyptus-infused foot cleansing ritual with reflexology to clear the mind, and a lymphatic dry brush technique with a luxurious application of Neroli Blossom Bath & Body Oil to invigorate the body. An express Neroli enhancer with acupressure and massage completes the treatment for the ultimate in skin hydration and revitalization.
